This is an amendment to HB000514.acd.

This reduces the Energy Related Deferred Maintenance project appropriation of Federal Funds by \$780,000, from what would have been \$2.28m to \$1.5m.

To effect a change, an accompanying change will be required in HB 645.

There will be \$780,000 of unallocated Federal Stabilization funds after the adjustments are made in HB 645.
